

# 2nd Ugliest Building In The World Prague

## Žižkov Television Tower: Prague's Iconic Structure

- **Controversial Design:** Completed in 1992, the tower's unconventional architecture, including "crawling babies" sculptures, sparked debate.
- **Ugliest Building Title:** Once ranked second ugliest globally, it later became a beloved part of Prague's skyline.
- **Architectural Significance:** Despite initial criticism, it offers panoramic city views and serves as a cultural hub.

## Ugliest Buildings Around the World

- **Perception of Beauty:** Subjective nature of aesthetics reflected in buildings often labeled "ugly".
- **Notable Examples** are the Elephant Building (Bangkok), Kaden Tower (Kentucky), The Fang Yuan Building (China), among others.
